Sir:

ISSUE FEE TRANSMITTAL

Enclosed herewith please find a properly completed form PTOL 85b and an issue fee check of **$1703** (which includes the large entity issue fee of **$1400**, a **$300** publication fee, plus **$3** fee for one advance order copy) to the order of the Commissioner of Patents and Trademarks. This transmittal is timely in nature. Please be advised that the formal drawings are being/have been submitted under separate cover.

Please be advised that Notification of Loss of Entitlement to Small Entity Status has been filed in this case on February 14, 2006, and again on July 16, 2007. Accordingly, the large entity fees are being submitted herewith. Please correct PALM records to reflect the correct entity status.

The undersigned believes that this submittal together with the formal drawings completes the requirements for the issuance of a patent. If any additional fees are due or any refund due, please charge or credit them to my deposit account number 07-1732. If anything remains outstanding, please advise immediately so that delays and fees can be avoided.

Respectfully submitted,

David S. Jacobson
